2006 Area Blend Shiraz

This Shiraz has a medium density colour, but with bright youthful tints & aromas of mocha, dark chocolate and cherry bramble from the oak. These are integrated with the blackberry, savoury Hunter Shiraz fruit. A very good alcohol weight, restrained and carries the rich flavours. The palate has vanillin and dark cherry. The oak is forward at this stage but there is more than enough fruit to match it. Soft tannins and a dry finish round it out.
