

## Sequoia Grove Napa, California USA

SEQUOIA GROVE

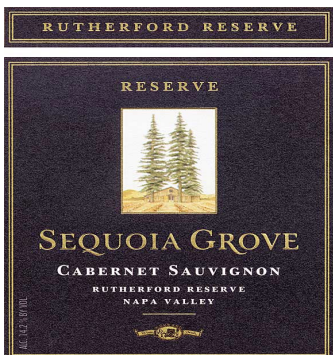

Sequoia Grove takes its name from one of the last groves of giant redwood trees in the Napa Valley which encircles its century-old building. The winery was founded by James Allen in 1980. Sequoia Grove's twenty-four acres lies in the Napa Valley's most superb red wine microclimate, similar to Pauillac, Bordeaux.

### 2005 Cabernet Sauvignon

This elegant yet full-bodied wine is a classic expression of the Napa Valley style of Cabernet. Its fragrant, perfumed bouquet of black fruit and cassis is offset by notes of smoke, cedar and vanilla which are confirmed on the palate in a structure of ripe, supple tannins and a full, velvety texture. The wine's fruit intensity carries into a lasting finish which promises graceful maturation, yet shows early approachability.

### 2004 Cabernet Sauvignon Reserve

Dark ruby colour with aromas of black cherry and currant with hints of dark chocolate and vanilla. The flavours are big, forward and full with richness and elegance that are perfectly balanced with soft tannins and balanced acidity. A powerful wine with a soft, generous palate that will mature improve with time.
