

Shingleback McLaren Vale Australia

Shingleback Winery takes its name from one of South Australia's most loveable lizards, the Shingleback, typically found in backyard gardens including those of Shingleback Winery owners John and Kym Davey.

2007 Red Knot Shiraz

Deep red with youthful purple tints. Powerful ripe strawberry and blackberry aromas complexed by hints of spice, chocolate and savoury American oak. The sweet strawberry mid palate is balanced with fresh acidity and lingering richly toasted oak. A full bodied wine with luscious fruit that is enticing in its youth, but will also reward 2-3 years in the cellar.

2006 Shingleback Cabernet Sauvignon

Deep vibrant red. Powerful blackberry fruit with hints of clove and dark chocolate dominate the aromas and flavours of the wine. A frame of fine grained French and American oak add complexities of cigar box and cashew to the flavour profile.

2006 Shingleback Shiraz

Deep magenta red. Lifted strawberry and blackberry aromas are intensified with toasty vanilla oak. Ripe berry and mocha fills the palate and fine grained American oak enhances the fruit flavour and structure.
